

VANESSA GAVALYA

Deandra Grant

DWI DEFENSE

Deandra Grant Law managing partner of Deandra Grant Law, is an AV-rated attorney with a state-wide DWI/criminal trial and consulting practice. She is a national instructor on DWI law and science and the author of *The Texas DWI Manual* (James Publishing), now in its 12th edition. She also has 13 other books listed on Amazon.

Grant is president emeritus of the DUI Defense Lawyers Association, past president of the Dallas Criminal Defense Lawyers Association, and has served on the board of the Texas Criminal Defense Lawyers Association. She is a member of the American Chemical Society, the American Academy of Forensic Sciences, and the Society of Toxicology. In 2015 she received the ACS-CHAL Forensic Lawyer-Scientist designation from the American Chemical Society. In 2016, Grant earned her master's degree in pharmaceutical science and a graduate certificate in forensic toxicology from the University of Florida. She is an assistant chromatography instructor for the American Chemical Society at Axion Analytical Labs in Chicago.

Grant has been named a Super Lawyer by Thomson Reuters since 2011. She runs all seven of Deandra Grant Law's Texas offices in Dallas, Denton, Allen, Fort Worth, Rockwall, Waco, and Austin. Her team handles state and federal criminal cases throughout North, Central, and East Texas. In addition, she consults with civil and criminal attorneys on issues regarding allegations of intoxication. Grant is known as "The Lawyer Lawyers Call."

Outside of her legal practice, Grant is the vice president of Living the Doxie Dream Rescue and Sanctuary, located in Royse City, Texas. She runs an annual criminal defense legal seminar in Dallas to raise funds for the rescue.
